Mr. H. P. Gould,  
Washington, D. C.

Dear Sir;

Leases on two of our Nurseries containing twelve thousand orange and grapefruit trees have expired. The Owners of the land say that we must remove the trees during the next thirty days. To take these trees up and heel them out would mean heavy loss, and for that reason we will make you a sacrifice price on this particular lot of trees.

The enclosed price list gives our regular prices. Our sacrifice Sale prices are as follows - Size  $\frac{3}{8}$ " from two to three feet, at thirty five cents each. These trees are on good thrifty, root systems and the only reason they are not larger is on account of their being bud-ded late last year.  $\frac{1}{2}$ " good strong buds, at forty five cents each.  $\frac{5}{8}$ " at fifty five cents each.  $\frac{3}{4}$ " at sixty five cents each. We have a few two year old trees on which the price would be seventy five cents each.

The above prices are only for orders received within the next ten days, trees to be shipped before July 20th. A ten per cent deposit will hold the order.

Varieties - Walters, Excelsior, Marsh Seedless Grapefruit and Valencia, Lue Gim Gong, Pineapple and Parson Brown orange trees. Only absolutely first class stock will be shipped. Any other will be thrown away. We will guarantee the trees and will replace any that do not live if properly cared for.

We will make a special price on the following varieties of avo-cados, Fuerte, San Sabastian, Pueblo, Trapp, Pollock, and a few Nimlich, Panchoyo and Northrops. The prices for this special sale will be - In thousand lots one dollar each - Five hundred lots or over, one dollar and ten cents each, In hundred lots, one dollar and twenty five cents each.

These plants are in good thrifty, vigorous condition and none but first class plants will be shipped. We are sure that the above prices on avocados will sell all we have in this special lot which we are selling out to make room for the new plants, so please send in your order soon for whatever you want. If your ground is not ready, we will hold the plants for thirty days, on a deposit of ten per cent.

Awaiting your reply and order, we are,

Yours very truly,

THE C. E. THOMAS NURSERIES.
